

Job offer: Senior Electrical Technician

FUJIFILM Manufacturing Europe B.V is looking for a fulltime Senior Electrical Technician.

Your mission

As a Senior Electrical Technician you are responsible for stabilizing and improving the existing machine park within the finishing part in the offset plate factory. You solve technical problems in electrical equipment. In addition, you participate in improvement projects and optimizing processes. You set up and run preventive maintenance plans. Standby-duty is part of the job.

Your Team

The Finishing Maintenance Technical section is primary responsible for setting up, executing and optimizing preventive maintenance plans, troubleshooting and modifying production equipment. Further responsibilities and actions are analysing troubles, corrective and preventive maintenance and assisting in projects for process improvements in the finishing plant.

Job Requirements

- MBO-Electrical.(Título de Técnico Superior)/Bachelor
- Programming experience and knowledge on control area (PLC, Servo, Robots) are an advantage.
- Full time availability.

Who do you see when you look in the mirror?

You have a strong affinity with production equipment. You have good analytical skills and you are creative to come up with new solutions. Our customers request flexibility and that you 'walk the talk'. You therefore have well-developed communication skills, knowledge of working in projects and a goal oriented attitude. In addition, you are someone who can work independently and have high safety awareness.

Location

You will be working at the largest production site of Fujifilm outside of Japan. In Tilburg approximately 800 employees are working on the production of photo colour paper, offset plates and membranes. The Tilburg Research Laboratory (TRL) is also located on the site in Tilburg.

Our offer

- 40 hour work week
- The possibility to work flexible hours
- 27 leave days and 12.5 LTR days a year
- Training and personal development possibilities, internal and external
- Above average salary
- Bonus scheme
- Pension scheme
- Health insurance discount
- Travel allowance (home-work)
- Other secondary labour conditions
